

# Information about your application for Dietrich-Bonhoeffer-Haus

(dorm of the evangelical student community Bonn)

The Dietrich-Bonhoeffer house (DBH) consists of 73 rooms, which range between 7m<sup>2</sup> and 21m<sup>2</sup>. There are 13 groups of people living together in one flat with 2, 3, 5, 8, 9, 14 rooms. A typical flat consists of five rooms, a shared kitchen, bathroom/shower and toilet (for more information see: [www.dbh-bonn.de/zimmer](http://www.dbh-bonn.de/zimmer)). The monthly rent ranges between 186€ and 424€ depending on the size, furnishing and location of the room (including additional costs/broadcasting fee/internet).

The Dietrich-Bonhoeffer house is a dorm for students in Bonn and the surrounding areas. The ecumenical and international atmosphere can be felt in DBH and living here is enriched by the students' commitment.

We want to counteract the isolation of the individual and offer an alternative: In our student dorm, students live together in confined spaces, which requires mutual consideration, understanding and tolerance. However, it also offers the opportunity of an active and collective living. Everyone is expected to take responsibility and to fulfil his duties (e.g. to clean the flat or to participate as a mentor in one of the many committees). Additionally the attendance at the plenary meeting of the DBH once a semester is obligatory. If you do not comply with your duties, your contract will be terminated. Also, if you are only looking for a cheap room in a beautiful neighbourhood without being interested in the aims of DBH, you are not suited as a resident in our dorm.

A committee consisting of students who are already living in the DBH and the "Heimleitung" will determine which applicants will be offered a room. The percentage of foreign students is aimed at around 30%. Needless to say, that your religious, confessional, ideological, political and sexual orientation will not affect your application in any way.

Incorporated in the buildings of DBH are the offices of the evangelical student community (ESG). Everyone is invited to participate and get involved in the events and activities of the ESG.

**The deadline for the application for the summer semester is February, 1<sup>st</sup>  
and for the winter semester: July, 31<sup>st</sup> of the respective year.**

In case of questions do not hesitate to contact the office staff (0228/91199-15, [weins@esg-bonn.de](mailto:weins@esg-bonn.de)) or the student representative ([seniorat@dbh-bonn.de](mailto:seniorat@dbh-bonn.de)). You can also find ESG Bonn on Facebook and Instagram.

### **Important to notice:**

Please **refrain from sending additional attachments** (certificates, references, license, swimming award... ;) Zeugnisse, Referenzen, Führerschein, Seepferdchen, ...) but only fill in the application form! You will then be informed per mail (or phone), whether your application was successful.
